Scope As the owner/practitioner of High Mountain Healing I seek demonstration opportunities, muscle testing and CST sessions to promote healthy, balanced and peaceful lives. Additionally, animal and plant readings are available to help people understand who and what they are and the roles they play.

Professional Experience

CranioSacral Therapy - Releasing restrictions within the CST system by palpation and intuition to improve neurological, structural and motor coordination skills. Performed & received CST in the Caribbean Sea to obtain the full cranial experience. 10 years

Muscle Testing - For emotional, mental and physical well being. Used in many arenas including Kinetic Education/Academics, Stress Releasing and animals. Performed through the use of fingers, arms or distance testing. Guest speaker at "The Market Hall" July 2010. 25 years

Animal Communication - Providing animal readings along with seasonal forecasting with a cat named Clover. Focusing on their issues, concerns, fears, wisdom. Connecting animals with people by visiting ranches and making house calls. 6 years

Young Living Distributor - Enrolled with the first ¼ million members. Seasoned user of Essential Oils Desk Reference and Animal Desk Reference. Product is utilized topically, internally, aromatically for therapeutic and medicinal means. 16 years

Calcium Springs Farm - Participated as a member of a local CSA organic garden. Provided plant communication for plant wellness. Cleared land, tilled virgin soil, planted, cared for, and harvested locally grown produce. 4 years

Unique Talents – Addressing tremors by stress releasing, applying energy medicine to release severe tooth pain. Visualizing successful results for many of life's challenges.

Formal Education

Upledger Institute – Intro to CST in Madison, WI. CS1 in Minneapolis, MN. CS2 and SER1 in Salt Lake City, UT. BioAquatics Exploration CS2 on Grand Bahama Island.

ACNEK - (American College of Energetic Kinesiology) Level 1 Balancing Techniques in Salt Lake City, UT.
